REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. Regarding Claim 1, US Patent 6,240,194 to De Koning discloses a system of hearing aids and a remote control (Fig. 1, reference 16, 18, 14) that sends a data packet (Fig. 4; column 7, lines 10-22) to implement a manual control process (column 4, lines 36-62) or a synchronization process (column 1, lines 34-45). Williams discloses a data transfer system prioritizes data packets according to size (i.e., sends data packets with a length as a function of assigned priority) (column 1, lines 26-31). However, the prior art does not disclose prioritization based on operational function, as claimed. Because the prior art fails to disclose every element of the claimed invention, the claim is allowable.
3. Claims 2 through 8 are allowable due to dependence from Claim 1.
4. Claims 9, 18, 23 and 29 through 32 contain limitations similar to those of Claim 1 and are allowable for the same reasons.
5. Claims 10 through 17 are allowable due to dependence from Claim 9.
6. Claims 19 through 22 are allowable due to dependence from Claim 18.
7. Claims 24 through 28 are allowable due to dependence from Claim 23.
8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
